

FAAStTeam CFI Workshop #8

This is CFI Workshop module #8 in the series of eight modules. In this module, Pilot Deviations including Runway Incursions will be discussed.

Directions: Enter PDK Airport from Clairmont Road. Proceed to the end of Clairmont to the Downwind Resturant parking lot near the old terminal building. The classroom is on the left as you enter the parking lot.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
